## HIGH SEA COCKTAILS

### **Turrón Sour** €7.50

Cast your line... if you sail in fresh waters.

*The best of Christmas without having to wait for it. Frangelico of hazelnuts, lemon, egg white, cinnamon and caramel. For those with a sweet tooth.*

---

### **Valencia Sour** €10.00

Cast your line... if you want a homemade aperitif.

*You will begin to savour the bitter and acidic flavours. Our own vermouth of red wine, eight year old whisky, lemon and a touch of Valencian orange.*

---

### **Homegrown Happiness** €8.00

Cast your line... if you are looking for something fresh from the countryside.

*When they tell you it's not healthy, you can say that your vodka is mixed with market peas, fresh strawberries and the scent of citric. That's what you call healthy.*

---

### **Summer in Japan** €7.50

Cast your line... if you like a drop of the exotic.

*The Japanese also sweat in summertime. That's why they dive into cold vodka, sweetened by red fruits, lychee and a secret oriental ingredient.*

---

### **Spicy Margarita** €9.50

Cast your line... if you're into rebel princesses.

*Still haven't made up your mind? Any colour but white. A glass full of tequila, mango, mango liqueur and a red curry froth. Stand out from the crowd.*

---

### **Xoriguer Mule** €8.00

Cast your line... if you prefer Menorca to Moscow.

*Xoriguer is a Balearic gin macerated in citric peel. You won't miss the vodka, because it's got passion fruit purée and ginger beer.*

---

### **Old Fashioned Chargrilled** €10.00

Cast your line... if you like them grey-haired, but with flair.

*The classics have a special aroma, which we in Señuelo make even better over charcoal. This cocktail also has smoked whisky and a secret bitter syrup.*

---

### **The Drunken Apple** €7.80

Cast your line... if you like a fruity drop.

*Elderflower, green apple, a touch of citric... As if you were spending a day in the countryside, but instead of filling the basket, you hit the gin.*

---

### **Smoke King Kong** €8.00

Cast your line... if you like to raise the stakes.

*At the end of the movie, there is no giant monkey on the rooftop, but rather spiced rum, homemade chargrilled banana purée, banana and lime syrup.*

---

### **The Brazilian Fig** €8.20

Cast your line... if summer just speeds by.

*The fig is a fruit that comes and goes in a flash. Luckily, there's a marmalade made from it, which we mix with Brazilian cachaça and a touch of lime.*

---

### **Bloody Balcones** €7.00

Cast your line... if you want your cocktail served up like a dish.

*Mary can stay at home. We prefer to mix the tomato juice with smoked Balcones Brimstone whisky, spicy sauce and shrimp juice.*

---

### **Señuelo Coffee** €6.50

Cast your line... if it's time to return to the shore.

*At the end of a day's fishing, the coffee awaits you, and we're not messing about: rum, laced with cocoa, lemon, cinnamon, as well as coffee liqueur, vanilla and agave.*
